### What information do I need to provide?

You need to enter your name, email address, birth date, Blue Cross member ID number, and either the last four digits of your Social Security number or the answers you gave to security questions.

### What if I forget my username or password?

To reset your password, click **Forgot Password?** at the bottom of the app sign-in page and provide an email address and date of birth.

To reset your username, click **Forgot Username?** and enter your email address or phone number and date of birth.

### Do I need to enter my Social Security number (SSN) to register?

No. Members are no longer required to enter their entire SSN.

To register, you can either enter the last four digits of your Social Security number or answer security questions.

Note: If you're a Medicare member, you can use your Medicare Beneficiary Identifier (MBI) located on your Medicare ID card to verify your account. If you're a student, you can use your student ID number to verify your account.

### Does personal information get stored on my phone?

No. None of your personal information is stored on your phone. All information is encrypted and secured within a protected database.

### Is it mandatory to enter a member suffix to register?

No, you just need to enter the digits from your member ID.

### What are the privacy rules and access permissions for this app?

Only subscribers and their spouses can view their own information as well as information (including the ID card) for their dependents under the age of 18.

Subscribers and spouses can also view information (including the ID card) for dependents with certain disabilities.

Dependents 18 years and older can only view their own information.

## USING THE APP

### Can I search for doctors outside of Massachusetts using MyBlue?

Yes. When covered under your network, you can use our **Find a Doctor & Estimate Costs** tool to search for doctors, dentists, and hospitals anywhere in the nation using a ZIP code.

### What can I do with my digital ID card?

You can download your digital ID card to your phone or email a PDF of your card to your doctors.

### Is MyBlue available to all members?

MyBlue is available to most members, including students. However, the app isn't available if you're in the:

- Federal Employee Program (FEP)
- Blue Benefit Administrators (BBA)
- Stand-alone Medicare Part D plans

The app is also not available if you have:

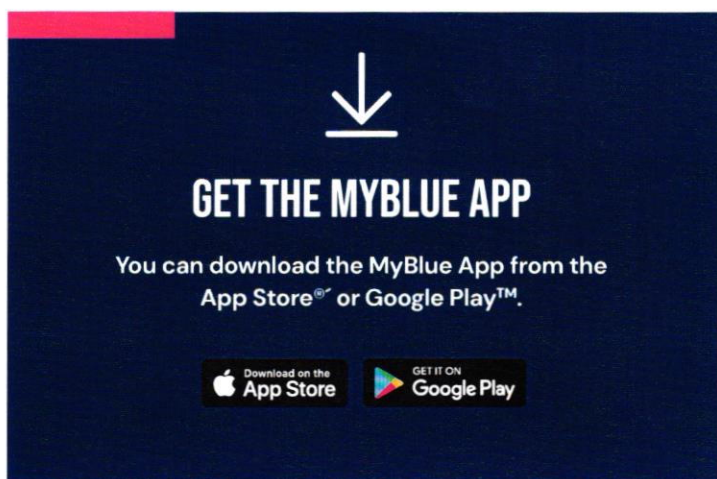

- Ancillary-only coverage
- Stand-alone dental, vision, or wellness coverage

### Who can I contact if I have questions about the app?

Please contact Member Service at the number on your ID card (TTY: 711).

### What phones and operating systems are supported?

The MyBlue app is compatible with Android™ OS 6 and above and Apple iOS 8 and above.
